GREGSVELDT SAFARIS · PLANNING GUIDE

UK Traveller’s Guide to Kenya

Practical planning notes from a Kenyan-owned travel company.

> **Important travel advice:** Entry, health, insurance and local requirements can change. Always verify current guidance with Kenyan immigration authorities, the UK FCDO, and qualified medical professionals.

Before you book

- Confirm passport and electronic travel authorisation requirements with Kenyan authorities.
- Read current UK FCDO travel advice for Kenya.
- Discuss vaccination and health preparation with a qualified travel-health professional.
- Choose travel insurance suitable for your activities and itinerary.

Planning your journey

- Safari arrangements vary by season, room, group size and partner availability.
- Pack lightweight neutral layers, sun protection and a soft-sided bag.
- Allow a little unplanned time; Kenya rewards an unhurried pace.
- Keep the confirmed contact list from your final travel pack accessible.

How Gregsveldt helps

We coordinate safaris, hotels, transfers and experiences through carefully selected local partners, while remaining one dependable point of contact for the arrangements booked

through us.
